

BLUECOL®

Aero-Flex™ wiper blade

- Reduces juddering and wiper squeak
- Direct Replacement for original wiper blade
- Increased Screen Contact for improved wiping
- New superior performance, aero-dynamic, flexible technology

Easy-Fit

Adaptors enclosed
(with fitting instructions)

Bluecol introduce their all new Aero-Flex Wiper Blades. Changing your wiper blades has never been easier with the Bluecol flexible wiper blade system. Aero-Flex wiper blades can be used as a direct replacement for the original wiper and the innovative 'retro-fit' fitment adaptors are suitable for use on over 96% of vehicles on the road.

BLUECOL - trusted since 1937

Marketing Bulletin

The aerodynamically designed, flexible Bluecol wiper blades are specifically designed to follow the curved shape of vehicle windscreens. The advanced wiper blade technology, combined with low profile design, offers increased windscreen contact compared to traditional wiper blades.
