CarPlan

Tetrosyl

- No1 Super Clean pH Neutral car shampoo

Ideal car shampoo to clean paintwork before applying No. 1 Super Gloss. Also ideal to maintaining created paintwork coating. Cleans stubborn surface contaminants without stripping applied wax and sealant coating.

Breaks through dirt, grime and insect residues with ease, leaving a streak-free finish.

Key Features:

- Wax free formulation
- High foaming, deep cleaning shampoo
- Ideal for preparing paintwork for application of No.1 Super Gloss
- Ideal for maintaining created coating by No.1 Super Gloss
- Use on car paintwork, glass, rubber, light, trim and chrome
